First Quarter 2015 Survey Summary:

Summary statistics table showing Mean, Median, High, Low, and Standard Deviation for the survey data.

All survey data based upon expected performance of U.S. home prices as measured by the U.S. Zillow Home Value Index. The non-cumulative annual data is expressed on a year-end over preceding year-end (Dec/Dec) basis.

* Some panelists requested that their specific responses be held in confidence. These appear as blank in the table above. However, confidential responses are incorporated into the summary statistics.
